

# TENSION STAND FELT, CARPET, BOARDS & FASTENERS

Coil Processing Equipment Consultants is the number one source for **High Quality Low Cost** Tension Stand Felt, Carpet, Boards & Fasteners.

**Felt** is perfect for demanding use, such as tensioning and high temperature resistance.

**Felt provides:**

- ➔ braking
- ➔ high temperature resistance
- ➔ noise control
- ➔ oil absorption
- ➔ surface protection
- ➔ wiping & polishing

**Tight budget?** Our **carpets** are a great low-cost felt alternative for tensioning, wiping and surface-to-surface protection. Commercial carpet available in Berber, cut pile and looped pile styles.

**Felt & Carpet available in:**

- ➔ bulk rolls
- ➔ die cuts
- ➔ precision cut pieces
- ➔ sheeting
- ➔ slit rolls
- ➔ slit cut rolls

Our systems can reduce your felt or carpet drag pad costs by 40%!

**Slitter Tension Stand Felt and Carpet Fastener Systems**

A complete line of industrial fastener systems for every application. Using plastic or wood along with blue gripper, we can custom fabricate each fastener system to your specific requirements.

**Slitter Tension Stand Drag Board System**

We offer solid hardwood, UHMW and Micarta tension stand drag boards. Each board is custom made to your specifications and then coated with a special oil-proof solution for durability. Our drag boards used in conjunction with one of our fastener systems will outlast any standard wood board configuration.
